Tienda de Segunda Mano

## Planteamiento del Problema

Muchas personas poseen artículos en buen estado que ya no utilizan (ropa, muebles, electrónicos, accesorios, libros, etc.), pero carecen de un espacio accesible, confiable y visualmente atractivo para venderlos o intercambiarlos.

A su vez, los compradores buscan productos de segunda mano a precios accesibles, pero suelen enfrentarse a:

- Falta de confianza en la calidad de los artículos.
- Escasa organización en redes sociales o grupos de venta.
- Dificultad para contactar con vendedores verificados.
- Poca personalización en la experiencia de usuario.

## Funcionalidad Extra

La plataforma contará con un **sistema de login y perfiles personalizados**.

Dependiendo del tipo de cuenta (usuario o vendedor), la vista del perfil mostrará información diferente:

- **Usuario comprador:** historial de compras, reseñas de vendedores y favoritos.
- **Vendedor:** información de contacto, calificaciones y descripción breve de su tienda o perfil.

Además, se integrará un módulo de **reseñas y calificaciones** para fomentar la confianza entre los usuarios y un **sistema de filtrado** que permita buscar por categoría, precio y ubicación.

## **Requerimientos**

### **Requerimientos Funcionales**

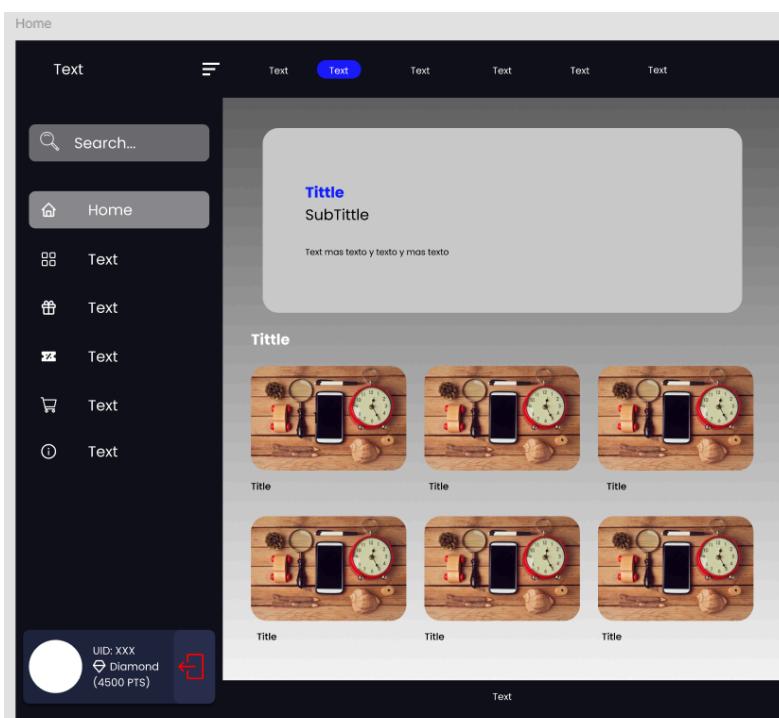

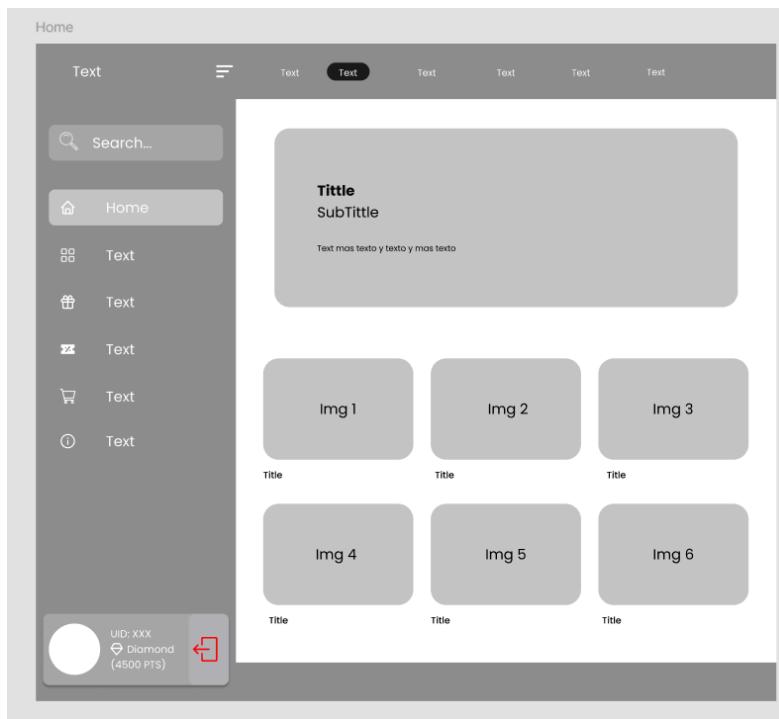

1. Registro e inicio de sesión de usuarios.
2. Creación de perfiles personalizados (usuario o vendedor).
3. Publicación de productos con imágenes, descripción y precio.
4. Búsqueda y filtrado por categoría, precio y ubicación.
5. Sistema de reseñas y calificación entre usuarios.
6. Página de contacto con formulario de ayuda o soporte.
7. Navegación general por secciones: **Inicio / Tienda / Sobre nosotros / Contacto**.
8. Diseño adaptable a dispositivos móviles.

### **Requerimientos No Funcionales**

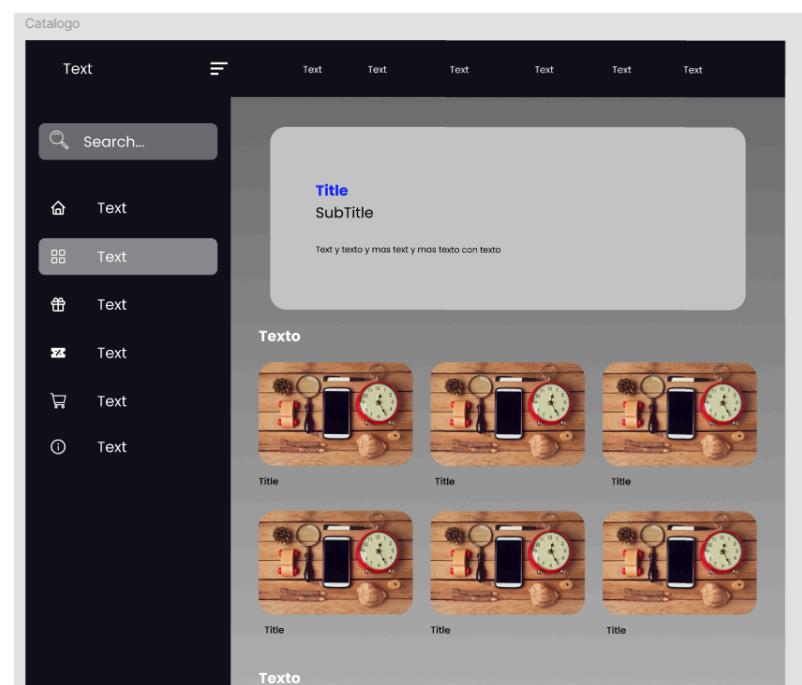

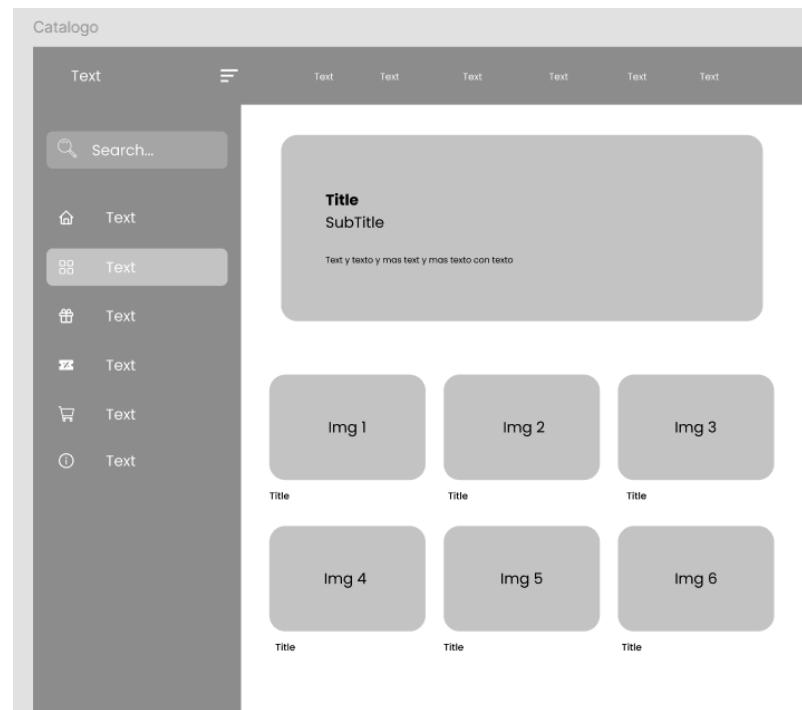

1. **Seguridad:** protección de datos personales y credenciales.
2. **Usabilidad:** interfaz sencilla e intuitiva para todo tipo de usuario.
3. **Escalabilidad:** capacidad de admitir múltiples usuarios activos sin pérdida de rendimiento.
4. **Accesibilidad:** compatible con lectores de pantalla y navegación inclusiva.
5. **Rendimiento:** carga rápida de páginas (< 3 segundos).
6. **Disponibilidad:** acceso 24/7 desde cualquier dispositivo.

The image shows a screenshot of a user profile page from a website called "SecondChance". The header features the site name and navigation links for "Inicio", "Tienda", "Mi perfil", and "Contacto". On the right side of the header are icons for user profile, search, and cart. The main content area is titled "PROFILE". It includes a section for "Avatar picture" with a placeholder image of a person's head. Below this are social media integration buttons for Facebook, Twitter, Instagram, and Google+. There are input fields for "Username" (Asenkrekmanov), "E-mail" (asenkrekmanov@gmail.com), "Password" (bigbigworld123), and "Repeat Password" (bigbigworld123). A text area for "About Me" contains the message: "I am Asen Krekmanov and I am dedicated UI/UX Designer from Sofia, Bulgaria." At the bottom of the form is a blue "Update Information" button. The background of the page features a dark image of a modern city skyline at night.

## CARRITO

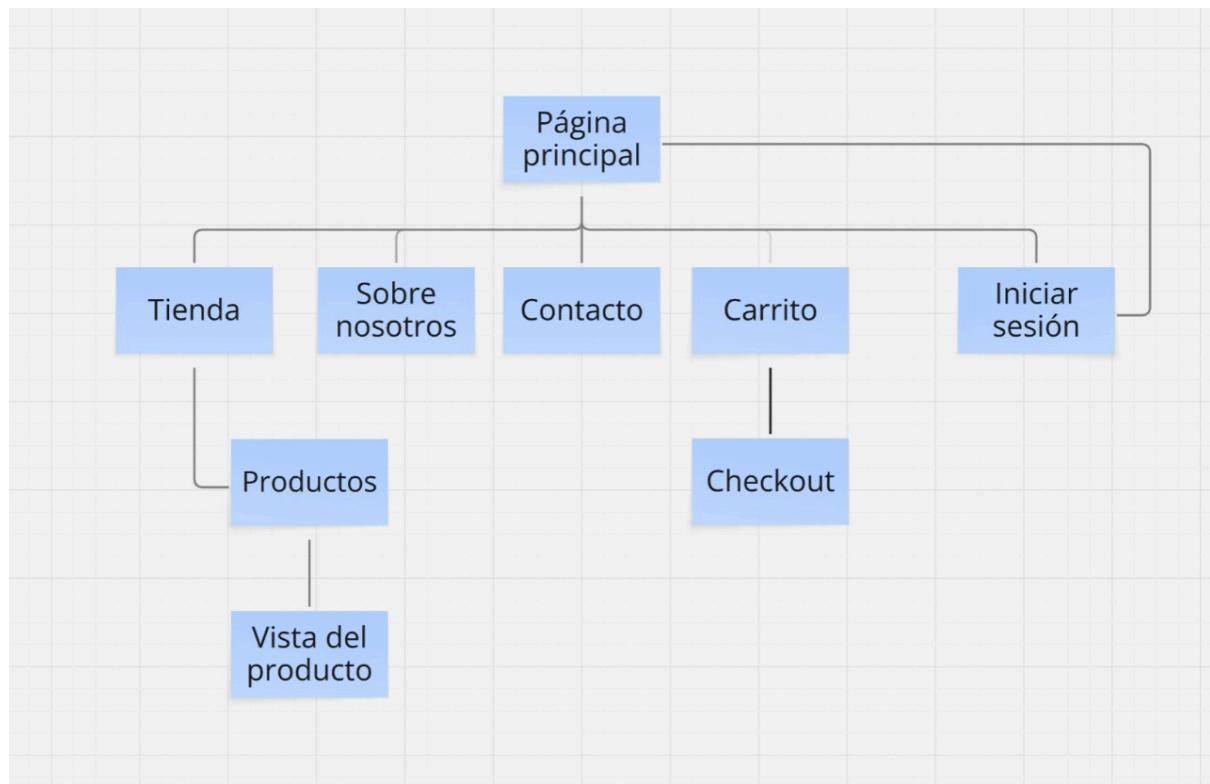

This mockup shows a standard e-commerce checkout page. At the top, there's a header with the logo 'SecondChance' and navigation links like 'Home', 'Trends', 'Indie Basics', 'Contact', and a search bar. Below the header is a large banner with the word 'Checkout' and a 'here > checkout' button. The main form area is titled 'Billing details'. It contains fields for 'First Name' and 'Last Name' (both empty), a 'Company Name (optional)' field (empty), a 'Country / Region' dropdown set to 'US (USA)', a 'State / Province' dropdown (empty), a 'Phone' field (empty), a 'ZIP code' field (empty), a 'Home' field (empty), an 'Email address' field (empty), and an 'Additional Information' field (empty). To the right of the form is a 'Product' section showing a single item: 'Product' (empty), 'Quantity' (set to 1), 'Subtotal' (\$250,000.00), and payment method options: 'Direct Bank Transfer' (selected) and 'Credit Card'. A 'Place order' button is located at the bottom right of the form.

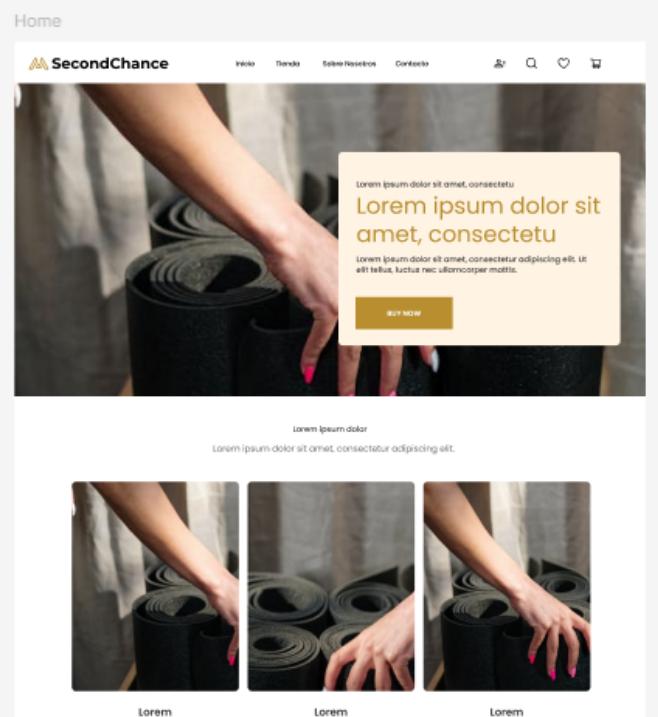

This mockup shows a more modern and visually appealing checkout page for 'Burger Blis'. The top features a logo placeholder 'Label goes here', a navigation bar with 'Home', 'About Us', 'Contact', and a prominent 'Order now' button, and a placeholder for a delivery map icon. The main content area has a heading 'Lorem Ipsum simply' with a subtext 'Welcome to Burger Blis, where we take your cravings to a whole new level! Our mouthwatering burgers are made from 100% beef and are served on freshly baked buns.' Below this is a 'Text' section with two input fields labeled 'Text' and 'Text'. To the right is a 'Subtotal' table:

	text	Subtotal
text	1	\$250,000.00
text		\$250,000.00
text		<b>\$250,000.00</b>

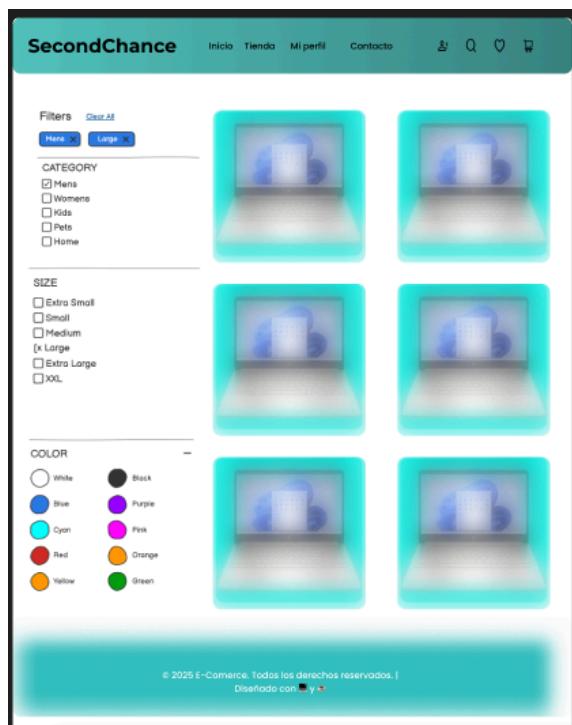

Below the subtotal are payment method options: 'Net' (selected), 'Direct Bank Transfer', and 'Credit On Delivery', each with a descriptive paragraph of placeholder text. A 'button' placeholder is shown below the payment methods. At the bottom, a large 'CHECKOUT' button is centered.

## PERFIL

The wireframe illustrates a website layout for a burger restaurant. At the top, there's a header with a logo, navigation links for 'Home', 'About Us', 'Contact', and a 'Order now' button. Below the header is a hero section featuring placeholder text 'Label goes here' and a title 'Lorem Ipsum simply'. A subtext below the title reads: 'Welcome to Burger Bliss, where we take your cravings to a whole new level. Our mouthwatering burgers are made from 100% beef and are served on freshly baked buns.' To the right of the text is a placeholder image icon. Below the hero section is a 'Explore' button.

The main content area contains a 'Text' component with two input fields labeled 'Text' and 'Text'. To the right of this is a table with three columns: 'text', 'text', and 'Subtotal'. The 'Subtotal' column shows a value of **250,000.00**. Below the table is another 'Text' component with a single input field labeled 'Text'. Further down is a dropdown menu labeled 'Text' with options 'Text' and 'Text'. To the right of the dropdown is a section with a radio button labeled 'Text' (which is checked) and two other radio buttons: 'Direct Bank Transfer' and 'Cash On Delivery'. Below this is a large input field labeled 'Text'. To the right of the input field is a 'button' component.
